### BABY DIES FROM SNAKE BITE

The baby boy of Mr. and Mrs. C. B. Cockran age three years was bitten by a rattle snake Monday afternoon and died within 24 hours. He was buried at Monument Wednesday afternoon. The mother and little one were picking up chips and upon hearing him cry she ran to him, seeing the blood she grabbed him and ran about a mile to Bob Robertson's, no one at home so she ran half mile to Dr. Fosters, but the poison had gone all over his little body and all that medical aid and loving hands could do did not save him.

He has gone to that home above where all is love; to that home with joys eternal.

He cannot come back to us, but we may go to him. Mr. Cockran had gone to Carlsbad and returned just a few minutes after his death. The family has the deepest sympathy of the entire community.

## Eaves--Roden Birthday Party

On last Thursday afternoon Oct. 12th a birthday party was given in honor of little Miss Ruth Roden daughter of Mr. and Mrs. James Roden, and Master Sim Eaves little son of Mr. and Mrs. Babe Eaves, at the home of Mr. and Mrs. P. S. Eaves. While we did not get full particulars, we learn that the floral decorations were very pretty and appropriate and that the large birthday cake with their names on it and the five candles representing their age was beautiful and the little ones were allowed to blow out the lighted candles which of course was amusing and afforded them much pleasure. Various games were indulged in and refreshments, of cake, jello and cocoa were served. Many of their little friends were in attendance and numerous presents were received by each. Miss Mary Eaves acting as hostess made each and everyone have a delightful time.
